

FOR PONIES AND GALLOWAYS

Research into safer feeding for ponies recommends low starch/high fibre feeds. **PURE PONY** has been formulated to meet this need and provide ponies with all the nutrients required for health and performance, without the risks associated with grains and grain by-products.

PURE PONY is based on pure vegetable protein meals and fibre, with NO GRAIN, GRAIN BY-PRODUCTS, BRAN OR MILLRUN.

COMPOSITION

Screened and milled botanical lucerne meal with essential and branched-chain amino acids, vitamins, trace elements, macro-minerals, anti-oxidants and electrolytes.

CONDITIONS OF SALE

Being used outside their control, this product is sold on the express condition that the producers have no warranty, expressed or implied and are not responsible for damage arising out of its use, whether in accordance with the directions or not.
